BLACK TONEY IN TRIUMPH

Horsemen Departing.

Louisville, Ky., June 2.—There was another visitation of rain at bouglas Park this afternoon, after every indication had pointed to the unseasonable weather being over. The rain began just before the horses emerged from the paddock to go to the post in the sprinting handicap, which featured the card. It was not of sufficient volume to change the splendid track conditions that prevailed and the three-quarters in 1:11½ was the fastest to date at this meeting. The winner turned up in Black Toney over Chalmers and Leo Skolny. The probability of a deluge caused a general weakening in regard to Black Toney's chances, for he is notoriously adverse to mud and an excentionally good price was obtained by his backers. By a strange coincidence it had started raining just as Black Toney bas been going to the post in all his starts this season. And in some instances last season, changing track conditions militated against his chances and cost him several races. He showed his best form today and wore Chalmers down in the stretch under urging. Only four started and they farnished an interesting contest from barrier rise, bleaf racing conditions prevailed up to the rainfall and set the full strength of racing devotees to journeying to the course. The average sized fields served as good betting mediums and as favorites were successful in most instances, the public fared well.

Following the victory of Mallard in the third race she was bid up \$405 over an entered price of \$400, but was retained.

Talbot Bros, uncovered a good-actioned filly in the second race in Moinen Star, by Star Shoot, out of that old-time favorite Wainamoinen, a frequent winner on all western courses during the flourishing days of racing.

There were several departures this morning for Latonia, the shipments including the horses in charge of Mose Goldblatt and part of E. T. Colton's lot.

The death of Mazagan from inflammation of the bowels has taken place in Australia at the Allendale Stock Faria (Mentone). Bred in England, by Mr. D. Baird, Mazagan was by the Goodwood Cup winner, Marlagon, son of Bend Or, from Maize. His racing career began as a three-year-old, at which age he was successful on three-occasions, viz., in the Jockey Club Cup, the Lowther Stakes and the Hastings Plate. As a four-year-old he won the Queen's Plate at Derby and the Goodwood Cup, and in the following year the Caledonian Hunt Cup at Edinburgh. Before going to Australia, Mazagan did stud duty in this country, where he proved most successful as the sire of Magazine, Messenger Boy, Wheelwright, Ozana and many other successful race horses.

WILL NOT RACE OVER YONKERS TRACK

New York, June 2.—It has been definitely decided that there will be no meeting over the Yonkers track of the Empire City Raeing Association this year.

Due to the fact that the course has been in use by the lessees as a hold-over station and receiving grounds, for horses shipped from different parts of the country for war use in Europe, James Butler, the owner of the track, does not believe that it would be fair or right to ask horsement o ship their stock to the Hill Top track under these circumstances. Instead the meeting of the association will be run over one of the Long Island tracks, either Belmont Park or Acqueduct, but the belief is that the latter course will be used. The stakes for the meeting will be announced the latter part of the week, principal among which will be the historic Saburban Handicap. The new racing secretary of the Empire City Raeing Association, Victor Schaumberg, is now formulating plans that should go a long way to make the meeting of this popular racing association as successful as those formerly held, and, as he is an official that has been long and favorably known, his efforts no doubt will meet with success.

MADDEN'S GOOD DAY AT BELMONT PARK.

Takes Half of the Races On the Card with Sam McMeekin, Distance and Stellarina.

McMcekin, Distance and Stellarina.

New York, June 2.—Despite a conflict of dates with Piping Rock and threatening weather conditions, a good-sized crowd was on hand at Belmont Park this afternoon. Many fair devotees of the sport took advantage of ladies' day and were in the stand in great numbers. The absence of society in the clubiouse was particularly noticeable, but this was because of the hunt club meeting.

The feature of the day's racing was the seventeenth running of the Fashion Stakes, which was accounted for by G. A. Cochran's good filly Pleione. She ran a remarkable race, coming from behind in the last eighth and outlasting Foxhall P. Keene's care in the final drive. A high and favorable wind enabled her to run the five-eighths in 58, which equaled the track record for that distance.

The Harlem Selling Stakes, valued at \$1,000, was won by R. T. Wilson's Montresor over G. M. Miller after scratches had eliminated the other carded contestants. Montresor led from the start and was going easily at the end. The Blackstump Handicap, second on the card, was taken in handy fashion by Distance, from the stable of Join E. Madden. Distance ontbroke the others and raced into a long lead in the first quarter, but gave way on the turn to Top Hat and Adams Express. The latter pair came wide when turning for home, which enabled the Madden filly to creep up next to the rail and her staying qualities brought her home an easy winner. It was the second Madden winner of the day, Sam McMeekin, making his initial appearance as a three-year-old, having won the opener with surprising ease from Gino. Stellarina, by winning the five-furlougs maiden race for two-year-olds, made it a triple for Mr. Madden during the afternoon.

Jockey N. Nathan has announced he will ride free lance during the season.

J. H. Lewis has re-purchased Old Salt from J. H. Coburn.

—Trainers Punished for Carcless Equipment.

Montreal, Que., June 2.—Well-backed horses swept the card at Dorval Park this afternoon, Evenly-balanced fields went to the post in a majority of the races and interesting sport resulted. Every horse programmed faced the barrier. The Quincy Stable showed up a likely-looking two-year-old in Milestone, which galloped home the easiest sort of a winner in the sixth race. He seemingly outclassed his opponents and won by four lengths after being crowded back to last place in making the turn out of the backstretch. A close finish attended the running of the second race in which the odds-on favorite, The Spirit, came on from behind in the homestretch and just managed to get up in time to beat Gordon a nose in the final stride. W. L. Oliver's Filly Delphia, one of the choices in the third race, met with a jam on the turn out of the backstretch and fell heavily. Jockey Hanmer fortunately rolled under the inside fence and escaped serious injury. Acton, who had the mount on Rose Garden, was blamed for the accident and at the conclusion of the afternoon, a ruling from the stewards suspended the boy for the rest of the meeting. Several trainers were fined by the stewards for the inconsistent use of equipment, W. M. Martin was fined \$25 for using blinkers on Mimico without reporting to the officials. C. J. Casey and T. McGuire were fined the same amount of taking the blinkers off Broom Straw and putting them on Duke of Chester.

After Faker won the opening race he changed hands, Lewis Garth nurchasing the colt from Capt. I. W. F. Presgrave. Faker will be schooled through the field.

Judge Joseph A. Murphy stated this morning that he would shortly announce some important plans in connection with the racing at New Orleans next winter. He intimated that several owners and riders who participated in the racing there last winter will be missing at the next meeting.

H. D. Brown, who is at present in Havana looking after the remodelling of the track proper at Marianaw will also make known his plans shortly for the meeting in Cuba next winter. Mr. Brown contemplates tiling and regrading the track and spreading a new top dressing on it during the summer, Indications are that the Cuba-American Jockey Club will enjoy a most prosperous meeting next winter. Many of the rich Cuba-meeting next winter. Many of the rich Cuba-meeting next winter. Many of the rich Cubams have already sent agents to the United States with commissions to purchase some high class racing material.

The stables at Blue Bonnets are fast filling up with the important owners who took part in the recent Woodbine meeting. Gwyn Tompkins arrived yesterday with his string of jumpers and flat horses and Edwid With Col. J. S. Hendrie's stable. Others already on the grounds are the horses of Capt. W. F. Presgrave, Thomas Clyde, Edward McBride, H. G. Bedwell, J. S. Tyree, R. Davies, M. Daly, Quincy Stable and Andrew G. Blakeley. The track at Blue Bonnets this spring is said to be faster than at any time since the course was constructed.

Edward McBride has announced that he will ship his stable of crack two-year-olds to Saratoga this summer. Besides Pesky and George Smith, the string also includes Ed Henry, a colt by Cunard—Melton Mowbray.

The Hachmeister machines, the latest thing in pari-mutues, have arrived at Blue Bonnets and are all in place ready for the opening day. The old betting ring building has been remodeled and the whole plant appears to be in splendid order. Sec-retary N
